My dear Dewan Sahib,

I have received your d/o letter No. of yesterday. As to Mr Joshi, to whom Mr Denham's letter referred, Mr Warburton wrote at once confidentially to the Resident at Baroda for the necessary information regarding character. No reply has yet been received & we have reminded by telegram.

I return herewith the letter from the Palace Controller. I had put it on one side meaning to speak to you, but forgot it when you last called. We shall be very glad to help in any way we can & to give access for that purpose to our records. These records are, however, not only very voluminous, but it appears that they are in a somewhat confused condition & are only partially indexed. Mr Warburton has been discussing with our Registrar what we can do to furnish information, &c, as desired by Mr B. Ramakrishna Rao & it seems to us that the best plan might be for Mr Ramakrishna Rao to call at my office & have a preliminary talk with the Registrar, who is in direct charge of the

records. I daresay Mr Ramakrishna Rao could then give the Registrar a fairly clear idea of the subjects,&c,which he wishes to look up & the dates of the papers to which he would like to refer. We might then be able to make suitable arrangements.

Yours very sincerely

M.Visvesvaraya Esqr,C.I.E.,
